### **Section 21**

Prohibits the possession of a firearm and ammunition (under any circumstances), by any person who has been convicted of a crime and sentenced to a term of imprisonment (or its equivalent for young person's) of 3 months or more. The prohibition applies in all circumstances, including handling and firing in an approved shooting club or at a clay pigeon shoot where a certificate is not usually required. It also applies to the possession or use of other categories of firearms and ammunition such as AIRGUNS or shot gun cartridges for which a certificate is not needed

A sentence of 3 months to 3 years attracts a 5-year prohibition, shorter ones no prohibition but a longer one means a life time ban. I also confirm I have not had a firearm or shotgun certificate revoked.

### **Photography**

We have CCTV in operation throughout the club, for the protection and safety of all our members and guests.

You will be accompanied and supervised at all times by a full member of the club, who is also a qualified range officer. It is a criminal offence for you to remove any ammunition from the club premises.

### **Declaration of Consent**

I have read and understood all of the above and confirm that I do not breach section 21.
